REMINDERS

Passengers must be **waiting at designated stops** for operators to stop.

Expect delays during road construction, inclement weather, and during times of heavy traffic.

 Road construction impacts transit service in the area. Thank you for your patience while improvements are made in the basin to restore and improve lake clarity.

 Routes may be delayed or suspended due to snow and road conditions. TTD makes every effort to get passengers to their destinations; however, safety remains our top priority. Please visit tahoetransportation.org, Twitter or Facebook for the latest information.

 **Visit the TTD website for a complete list of passenger policies.**
www.tahoetransportation.org

 **No free rides.** Please have exact change and proof of eligibility for reduced fare ready when boarding the bus.

TTD offers reduced fares only to persons who can prove eligibility when purchasing the fare. Please refer to the reduced fare information contained in this guide.

 **No smoking or vaping.**

 **Look for TTD's East Shore Express seasonal service** operating mid-June through Labor Day. Provides access to Sand Harbor State Park.
