

NOTICE OF PUBLIC HEARING

REGARDING A PROPOSED CHANGE TO ROUTE 18X SERVING MEYERS

The TTD Board of Directors will hold a Public Hearing to receive comments on a proposal to discontinue Route 18X. The Public Hearing will take place on Friday, February 15, 2019 at the Sierra Nevada College, Tahoe Center for Environmental Sciences, Room TCES 139/141, 999 Tahoe Blvd. Incline Village, NV 89451. The Board meeting starts at 9:30 a.m.

Route 18X was implemented on November 1, 2018 in response to the Tahoe Metropolitan Planning Organization's unmet needs process. However, sufficient grant funds to operate the route have not been secured and without another source of funding, operations cannot continue. Additionally, ridership has not materialized (less than two trips per day) to a level that assists TTD in securing competitive grant funds. Please note the discontinuation of Route 18X will not affect the extended paratransit service to Meyers, North Upper Truckee, or Christmas Valley at this time.

Comments may be submitted in person at the public hearing, by mail, email, or phone using the contact information below:
